Activity

Plan a special treat for your family without telling anyone. It could be a favorite dessert or new coloring books. Give them a complicated set of directions to find this special item.

Think about: Discuss God's command to Abram to leave home and go to a strange land. Ask the children how difficult it would be for them to leave the familiar and go somewhere strange. Examples are: leaving the familiarity of their own room or stay in a hotel while on vacation; leaving the familiarity of staying home to go to preschool for the first time; leaving the familiarity of seeing relatives to visit other people.

Read John 14:21

Prayer: Thank you Lord for you guide us everyday at home, at work, and at school. Help us to be a good example of faith and obedience. In Jesus' name, Amen.
